

# Connecting the Dots

Between Member X and  
Provider Y at HCSC

Given the various stakeholders and systems in play at HCSC, yours is a complex healthcare path. Do the various parts of the path allow you to answer these key questions?

## Connecting the Dots with Reltio

By bringing all of your disparate and siloed data together into one holistic view, you can now:

## What would a trusted, real-time and centralized profile of members and HCOs/HCPs mean at HCSC?

Real-time transactions

Omni-channel

Personalization

10%

Lift in renewals

10%

Reduction in administrative costs

2%

Lift in customer satisfaction score
